

## HOMELESS CHILDREN

To Be Cared For In An Orphans' Home in This City.

REV. HUMPHREY IN CHARGE.

Located on Cleveland Avenue  
Will be Supported by Voluntary Contributions.

The West Kentucky Orphans Home, under the management of Mr. W. D. Humphrey, formerly Dist. Supt. of the Kentucky Children's Home Society, has been located in this city, at 319 Cleveland Avenue, and is ready for calls within the scope of its purpose. It antagonizes no other work of benevolence, but tenders its services to the needy child whom others may be slow to reach and relieve. Within its portals will be given room and a welcome until a permanent home can be secured.

During the time that Mr. Humphrey has been located here he has placed about 50 children in Christian county homes and seven or eight have been rescued and sent to the Home in Louisville. He will carry on the same work as before, but as a local enterprise to be supported by voluntary contributions. It has been his custom heretofore to keep on hand a number of the children for whom homes were sought and he has every arrangement necessary to carry on the work in his own house.

### Thanksgiving Day Proclamation.

Frankfort, Ky., Nov. 15.—The following proclamation has been issued by Augustus E. Willson:

"By the custom of our fathers all of the years since sixteen hundred and thirty-nine, and following the proclamation of the president of the United States, I appoint and set aside Thursday, the thirtieth day of November, nineteen hundred and eleven, as a day of thanksgiving to our God, for his bounty and his blessings. Our country has been spared the trials of war and the burdens of sorrow and suffering. We have enjoyed the blessings of peace and of a high degree of happiness and generous gifts. No civil disorders have brought sorrow or shame to our Commonwealth. We have kept the covenant of the law with each other and our Maker. We have maintained peace, neighborly good will and friendship throughout the boundaries of the Commonwealth without reproach. We have enjoyed the blessing of liberty and complete freedom under the law.

The public peace and the fair name of the state have not been marred by feuds or lawless bands. Our people have worked together with free good will and honest respect for each other's opinion, faith and feelings as they never did before.

"The solid foundation of sound government laid by our fathers has upheld our institutions and fulfilled the just expectations of our forefathers. Our factories have produced a great output. All our business interests have prospered, and for all these gifts and blessings to our country and old Kentucky, I call upon our people to gather in their homes and churches to render praise and thanks to Our Lord.

Given under my hand and the seal of the State at the capitol at Frankfort, this the thirteenth day of November, nineteen hundred and eleven, and of the independence of the United States, the one hundred and thirty-sixth.

"AUGUSTUS E. WILLSON, Governor.

"BEN L. BRUNER, Secretary of State.

"R. A. COOK, Assistant secretary of State."
